GOVERNMENT OF BERMUDA
Ministry of Health

Corporate Blood Drive Competition 2019

Why Compete?

You will be saving lives and helping treat cancer and sickle cell. Some of the recipients may be your employees, their families and friends. There is no financial cost. You just need to encourage your staff and their friends and family to donate!

Promote Your Business

You'll have a special competitor's badge when you sign up and a certificate recognising your participation at the end. If you win, you will be presented with a revolving trophy and certificate by the Minister of Health and promoted through traditional and social media.

Build morale and celebrate your staff

Hold blood drives and recognise your biggest staff donors. You can ask vendors and consultants to donate for you too! Build relationships, have fun and celebrate!

Sign up by 14 July 2018 : blood.donor@bhb.bm or 236-5067
