

# PEARL is the first electronic medical record that will be used across BHB

## PEARL

PATIENT ELECTRONIC  
& ADMINISTRATIVE RECORDS LOG

medical history

test results

allergies

referrals

medications

physician notes

*"One patient, one record,  
wherever you need  
care at BHB"*

PEARL will help us deliver safer care for you.  
Please bear with us as we prepare for and  
implement this major change in how we work.

## PEARL goes live on 29 October 2022

No more paper!  
Records, referrals,  
test results, all  
electronic

Safety alerts  
help clinicians  
identify risks

Accountability:  
everyone who  
views a  
patient's record  
is identifiable

Improved  
communication  
between clinicians  
and care teams
