

## Bermuda Hospitals Board

### Arthur Ebbin Jr, Chief Financial Officer

Mr Ebbin was appointed chief financial officer in 2022. He oversees all fiscal and fiduciary responsibilities for BHB, along with the efficient financial administration of BHB. Mr Ebbin also leads the development and implementation of BHB's financial strategy, with a commitment to uphold ethical and professional standards in all matters relating to BHB's finances. He reports to CEO Michael Richmond and the Board of BHB.

Having joined BHB in 2013 as assistant financial controller, Mr Ebbin was promoted to controller of operations in 2016-17, and acted as vice president of finance over the same period. He was appointed director of business finance in 2017, and served as vice president of business finance from 2018 until he became CFO.

Before joining BHB, Mr Ebbin held finance positions at various local and international businesses in Bermuda, although he first worked as a police constable for the Bermuda Police Service, a post he held from 1979 to 1987.

Mr Ebbin achieved a Bachelor of Business Administration from Acadia University in 1991 and went on to gain his chartered professional accountant designation in 1994. He completed certificates in healthcare change management and executive healthcare leadership from Cornell University in 2022.
