PATI Information Statement

Name of Public Authority: Bermuda Hospitals Board

INTRODUCTION:

The following document is the information statement for the Bermuda Hospitals Board (**BHB**). Every public authority covered by the Public Access to Information Act 2010 (the **PATI Act**) has a legal duty to maintain an information statement.

The purpose of the PATI Act and this document is to make information readily available to the public without the need for specific written requests, to encourage authorities to proactively publish information, and to develop a culture of openness. Every person who is Bermudian, or a resident of Bermuda, has a right to access any record held by a public authority unless the record is exempt. Several classes of information are exempt, including: sensitive commercial information, information received in confidence; operations and deliberations of public authorities; Cabinet, Ministerial and Governors documents; and legal documents. However, exemptions are subject to the public interest test, except those that would be in contempt of Court, infringe parliamentary privilege or are prohibited by other legislation (see sections 21 to 40, PATI Act).

This information statement provides an overview as follows:

- A. Structure, organisation and legislation
- B. Functions, powers and duties of the authority and obligations under the PATI Act
- C. Services and programs
- D. Classes of records held
- E. Administration (all public access) manuals
- F. Decision-making documents
- G. The information officer
- H. Any other information
- I. Information statement: copies and updates.

SECTION A: STRUCTURE, ORGANIZATION AND LEGISLATION [S5(1A)]

Organisational Structure

BHB is a body corporate established under the Bermuda Hospitals Board Act 1970 (the **Act**). BHB provides hospital services from King Edward VII Memorial Hospital, Mid-Atlantic Wellness Institute and the Lamb Foggo Urgent Care Center. The Act sets out BHB's powers and duties and establishes a comprehensive regime under which it operates. The mandate of BHB is to have general charge and management of the hospitals and overall responsibility for the provision of health services as defined in the Act.

SECTION B: 1) FUNCTIONS, POWERS, DUTIES OF THE AUTHORITY [S5(1)B]

Under section 6 of the Act, BHB has general charge and management of the hospitals and any movable and immovable property pertaining to the hospitals; it also has overall responsibility for the provision of health services. BHB is mandated to:

- administer the hospitals and the provision of health services in an efficient manner and in such a way as to promote the welfare of patients;
- so far as funds at its disposal permit, promptly make available at the hospitals modern methods of treatment of the sick and infirm, and use such methods in the provision of health services;
- coordinate the administration and operation of the hospitals and the provision of health services;
- make recommendations to the Minister of Health (**Minister**) on the development of the hospitals and the hospital services, on the provision of health services and on such matters as the Minister may refer to BHB; and
- give effect to any general directions given by the Minister as to the policy to be followed by BHB in the performance of its functions as appear to the Minister to be necessary in the public interest.

BHB may also, subject to the provisions of the Act:

- build, construct or erect, or cause to be built, constructed or erected, any building; or
- carry out, or cause to be carried out, any works,

upon any land owned by, or under the control of BHB where such building or works are calculated to facilitate, or are conducive or incidental to, the discharge of any function of BHB.

SECTION B: 2) OBLIGATIONS UNDER PATI ACT [S5(1)B]

BHB's obligations under the PATI Act are as follows:

- To provide an information statement for the public [s5].
- To provide other information to the public so that the public needs only to have minimum resort to the use of the PATI Act to obtain information held by BHB [s6]. This includes:
 - Information it holds and how to access it;
